

Quick facts about Envirotainer

THE MARKET LEADER

More than

5800

containers in our fleet and growing every day.

UP TO 2 MILLION
doses of medicine each day.

≈ **140,000 PALLETS**
of pharmaceuticals each year.

310 EMPLOYEES

They make up the backbone of our network. This includes 45 in dedicated R&D roles. We are supported by a partner network that includes an additional 300 people who work with our containers every day.

600 GLOBAL CUSTOMERS

We provide pharma-protective solutions for pharmaceutical and biotech companies who transport time and temperature sensitive goods by air.

OVER 16,000 PEOPLE TRAINED

Through our Envirotainer Academy and Qualified Envirotainer Provider Training and Quality Program (QEP), over 16,000 cold chain stakeholders at 270 companies have been trained in the last 3 years. There are more than 730 accredited QEP stations across the world.

WORKING WITH THE BEST

Our partners include some of the largest airlines and logistics companies in the world. All in all we work with more than 100 airlines and more than 40 logistics companies.

>2,000 PHARMATRADE-LANES 200 AIRPORTS 100 COUNTRIES

We have an open platform for airlines and forwarders. Our global network is managed via our headquarters in Stockholm with regional operations centers in Frankfurt, Dallas & Singapore overseeing more than 50 service stations worldwide.

THE ACTIVE COLD CHAIN

This is a lot more than just our tagline. It describes our approach. It extends beyond technology and means helping every person in the cold chain to have an active mindset and understand the importance of what they do. Because we believe that when people understand the importance of what they do, they do a better job.
